Notice of Public Meeting

The Investment Committee of the Arkansas Science & Technology Authority has scheduled a conference call meeting for Monday, March 14, at 10:00 a.m. The Committee will be discussing a draft investment policy for the Technology Transfer Assistance Grant (TTAG) Program and two potential investments; one through the Authority's Technology Development Program, and one through the Seed Capital Investment Program. Committee recommendations will be presented to the Board of Directors for formal action at its meeting scheduled for 1:00 p.m., March 18, in the conference room University of Arkansas for Medical Sciences' Biomedical Research Building. An early morning planning session will be held at 10:30 a.m. that same day. For additional information on these meetings, please call the Authority's office at 324-9006.

The Arkansas Science & Technology Authority serves as a statewide funding resource for high quality scientific and technological projects. The Authority endeavors to bring the benefits of science and technology to the people and state of Arkansas through scientific research, technology development, business innovation, and education.
