Manufacturing Resource Advisory Committee Meeting

The Manufacturing Resource Advisory Committee will meet at 10 a.m. July 19, 1995 in the Chancellor's Room at the Administration South building (third floor), University of Arkansas at Little Rock.

The Advisory Committee will review portions of the Network proposal to be submitted to the National Institute of Standards and Technology (NIST) in August.

The Arkansas Science & Technology Authority serves as a statewide funding resource for high quality scientific and technological projects. The Authority endeavors to bring the benefits of science and technology to the people and state of Arkansas through scientific research, technology development, business innovation and education.
